

WELCOME

Dear Parents/Guardians,

SHARP Literacy Inc. is a program that combines reading, writing, and social studies through the power of art. Using the visual arts and art history, 3rd grade students study *Communities*.

During this year-round program, there are two in-school presentations that expose the students to artwork. Each student will receive a copy of this workbook. Students also will have the opportunity to visit the Milwaukee Art Museum for free, participate in an end-of-the year Writing Challenge, and attend a Family Sunday Event at the Milwaukee Art Museum.

As part of the SHARP program, we are asking you and your child to complete the activity that is on the back of this letter to help you and your child better appreciate the importance of communities.

Thank you for your interest and participation and enjoy this worthwhile program!

The activity will be due by: _____

Family Project

With your family, identify where these structures and areas in your community are located. Write the street names they are located on below each picture.
